Greetings to all BOAF Companions,

The Companion's program is a vital part of BOAF's annual conference, as is our support throughout the year. For the BOAF members, the conference is an educational necessity, but it is a much more enjoyable necessity if their companions can attend also. Therefore, every effort is made to provide interesting activities for the adult companions you know the old saying, "Happy is the BOAF Delegate whose companion is happy", or something like that.....

This year our conference-related activities will be held on-site at the beautiful Caribe Royale in Orlando, FL. The activities allow us to visit with old friends and make new ones, as well. I can tell you from my years of experience with this program, that you can meet some very special people, people that will touch your heart and become your friends for life. To name a few, I would like to extend very special thanks to Ms. Patti Crum, Ms. Suzie Fuchs, Ms. Peggy Spooner and Ms. Glenda O'Connor for their assistance in coordinating the events for this year's program. What a great crew!!!!

The program this year will include crafts of pottery, beaded bracelets, napkin holders and a special fashion show.

If you have never joined us for the Companions' program, I certainly hope that you will this year.

Sincerely,

Karen Law
Sanibel Island
