The Building Officials Association of Florida invites you to exhibit your products and services at the **55th Annual BOAF Educational Conference and Trade Expo** being held at the Caribe Royale in Orlando, on **June 3rd – 6th, 2007**. Exhibit space and sponsorship opportunities are available to provide you with opportunities to introduce your products or services to building officials and other code professionals, contractors, and designers from around the State. *Each draped 8' x 10' exhibit booth entitles your company to complimentary admission to the Business Luncheon, an eight-foot skirted table, two chairs, up to four name badges, and a 7" x 44" sign.*

The Trade Expo hours are as follows:

Sunday, June 3rd –	Noon until 5:00 pm -	Booth Set-Up
Monday, June 4th –	6:00am until Noon -	Booth Set-Up
	<b>1:00 pm until 8:00 pm -</b>	<b>Trade Expo Open</b>
	6:00 pm until 8:00 pm -	Reception in Exhibit Hall
Tuesday, June 5th	9:30 am until 3:30 pm -	General Traffic
	3:30 pm until 8:00 pm -	Booth Move-out

The Expo will open immediately after the Business Luncheon on Monday and will remain open until 8:00 pm Tuesday night. Breaks on Tuesday will be held in the Exhibit Hall, with the final break being extended and running from 2:50 pm until 3:30 pm. *Please note that attendees are "on their own" for both lunch and dinner on Tuesday.*

We anticipate attendance by more than 500 building officials, plans examiners, inspectors, contractors, and designers from all areas of the State. We invite you to support this effort through sponsorship, co-sponsorship, and advertising opportunities. We would ask that you register through fax or email for this event. Follow the conference link from the home page ([www.boaf.net](http://www.boaf.net)) and all appropriate forms will be there. As an exhibitor, select 3 booth spaces you prefer from the floor plan. Booth positions will be determined by the Executive Director. ***Please note...BOAF reserves the right to reassign the booths. It is not desirable for competitors to occupy booths directly across from, or next to each other. Thank you for your cooperation.***

We have created a conference that meets the needs of the code profession. Exhibitors and Sponsors will have numerous opportunities to network with these decision-makers and share the latest information about the new products and services they provide the industry. We appreciate the time you are affording our industry and look forward to seeing your products on display at our **55th Annual Trade Expo**.
